1 Quiz overview

Five short in-class quizzes will assess your understanding of assigned readings, major concepts, historical developments, philosophical traditions, educational policies, and key terms.

Quizzes are worth **20 points total**, with each quiz worth **4 points**. Quiz questions may include multiple-choice, short-answer, matching, timeline, source-analysis, or other formats appropriate to the course material.

2 Quiz schedule

Quiz	Course focus	Date
Quiz 1	Philosophies of education: historical traditions and key actors	Wednesday, September 2

Quiz	Course focus	Date
Quiz 2	Common schools, expansion, exclusion, immigration, normal schools, and unequal access	Wednesday, September 23
Quiz 3	Progressive and vocational education	Wednesday, October 14
Quiz 4	School segregation and civil rights	Wednesday, October 28
Quiz 5	Pedagogy and educational opportunity	Wednesday, November 11

3 How to prepare

To prepare for each quiz:

- Complete the assigned readings and review related Canvas materials.
- Review key terms, historical periods, events, institutions, people, and arguments from class.
- Review your notes from discussions, activities, archival research, and trial-group work.
- Consider how historical, philosophical, sociological, legal, and educational questions connect across the module.
- Ask questions during class or office hours before the quiz date.

4 Quiz topics

Across the term, quizzes may assess your understanding of:

- General history of American education, including key events, periods, and developments.
- Philosophies of education, including historical actors and contemporary discourses.
- Sociology of American education, including schools, learning systems, institutions, power, and inequality.
- Pedagogy in American schools, including historical and contemporary approaches.
- Global histories of education and educational practices across contexts and settings.

5 Absences and missed quizzes

Students are expected to attend class regularly and arrive on time. If you anticipate an absence or experience an emergency that may affect quiz participation, contact the instructor as early as possible.

See [Canvas](#) for the most current quiz information, study guidance, and any updates.
